

How To Edit Your Quilt Story

- Go to **QuiltStoryLabels.com**
- Click on the **My Account** menu link
- Enter your **account information**
- Click on the **Log In button**
- In the small black menu click on the **My Quilt Stories** link
- Click on the **quilt story name** you wish to edit
- Click on the **Edit** link in the small black menu bar just above the left corner of your story
You can add, edit or delete any of this information.
- In the **Story Behind the Quilt** field, you have two options to enter your story. You can cut and paste it from a document or type it directly into this field. The field also has editing options if you want to add some formatting to your text.
- **To add pictures**, simply click on the **Choose File button** and select a picture from your computer.
- **To add an audio recording**, click on the **Choose File button** and select the audio file from your computer.
- When you are finished with your changes, **DON'T FORGET TO CLICK THE SAVE BUTTON** at the bottom of the page.
- You are done!!
